

NHS Leadership Academy Open Day

Friday 12th February • 10am to 4.30pm

Thank you for registering your interest in the NHS Leadership Academy's first ever Open Day. We're looking forward to offering you a number of interactive development sessions, conversations and a marketplace to meet our teams and see what goes into the programmes and tools our participants see. And most importantly, you'll get to see the end product itself!

Arrival and registration

Address: No.3, The Embankment, Sovereign Street, Leeds, LS1 4GP

[\(Click here for Google Maps\)](#)

Registration for the day opens at 09.45. On arrival, please make your way to our ground floor café to sign in and collect your name badge. If you like, you can also attend a Welcome Talk and take part in our 'Towards a Leeds Health Economy Strategy' discussion.

Building Tours

Get a guided tour of our bespoke training facilities. Tours are available throughout the day, leaving from the Café; look out for the stand and purple t-shirts!

Timetable

A full timetable for the day can be found on the next page, followed by descriptions of each of the bookable sessions on offer. These sessions run at set times and need to be signed up for in advance by emailing events@leadershipacademy.nhs.uk. If there are any spaces left, you'll also be able to sign up on the day.

For everything else (shown in white on the timetable), you're free to drop in and drop out as you please! Stay for an hour or the whole day; there's plenty to see and get involved in.

Wi-Fi

Complimentary Wi-Fi is available throughout the building via the 'NHS Participants' Network. To access this, please use password Academy02.

Accessibility and special requirements

We aim to be accessible and welcoming to everyone and are committed to making your visit as easy and enjoyable as possible. Unfortunately, due to the floods in Leeds, our lifts remain out of order. If you would like to talk to us about any accessibility requirements then please just get in touch at events@leadershipacademy.nhs.uk.

Follow us and join in the conversation

We're on Twitter! Follow us @NHSLeadership

Finally, please remember to make a pledge on our 3rd floor Pledge Tree before you leave us!

Bookable Sessions

Please sign up to the sessions below by emailing events@leadershipacademy.nhs.uk. Everyone is welcome and you can attend as many as you like.

Developing and Empowering the Leaders of Tomorrow

Chris Lake • Head of Professional Development

Room A.1 • 10.30 to 11.30 or 14.00 to 15.00

Chris will lead an interactive session exploring what learning really is - not just the acquisition of knowledge and skills, but really developing as a leader and a person. You'll examine maps of learning, leadership, organisations - and the London Underground too! As you do this, you'll also explore your own maps: your assumptions about how people, organisations and the world works.

Towards a Leeds Health Economy Strategy

Mike Chitty • Head of Applied Leadership and Operations

Café • Running from 10.30 to 13.30 (drop in/out)

A chance to add your thoughts on strengths, weaknesses, opportunities and threats in the Leeds Health Economy and to contribute your thinking to how we might develop stronger leadership around it. The Academy has a strong track record of helping whole system leadership to develop in health economies, through our commissioned work, our Intersect programme and our significant contribution to Pioneer and Vanguard sites through England. As well as thinking about Leeds we will have Academy staff on hand with experience of our work in other areas to share what we have learned and to listen to what might be helpful in Leeds. A key part of our leadership work is to support work with the NHS, local Authorities and Third and private sector partners to work together on place based health leadership strategies. In this session we will give you the chance to contribute to a model of the Leeds Health Economy and develop your own perspective on what might contribute to strategy.

Inclusion, Diversity and Systems Leadership

Tracie Jolliff • Head of Inclusion and Systems Leadership

3.5 • 11.00 to 12.00 or 13.30 to 14.30

The NHS Leadership Academy puts diversity and inclusion at the heart of everything we do. Inclusion is one of our four key strategic aims and therefore must be sown across and throughout our work. Come and find out more about our Inclusion strategy, and meet our Inclusion and Systems Leadership team.

Exploring Influencing Styles and your Preferences

Alan Nobbs • Senior Programme Lead (Delivery and Frameworks)

Room 3.1 • 11.30 to 13.00 or 15.00 to 16.30

Alan will lead you in an interactive and experiential session – allowing you an opportunity to reflect upon your own notions of 'influence' and to take a closer look at the behaviours and skills of influencing – your own and others! Not simply focusing upon the learning of new knowledge, the session will really help you challenge and develop your own leadership practice by encouraging you to engage with fellow participants. You'll have a chance to reflect upon what 'influencing' means, to consider and 'map' your own influencing styles and behaviours, and to explore how to develop and flex your influencing skills for even greater impact.

Board Development**Mike Chitty • Head of Applied Leadership and Operations***Room A.5 • 14.00 to 15.00*

The Academy has an incredible pool of talented and experienced Faculty who help to provide our Board Development Service. We have worked with a wide range of Boards in a wide range of contexts including Trusts that have been deemed 'not well lead' by CQC. We also have supported board to board dialogues to help consider how organisational reconfiguration or changes in partnership relationships or investing differently in services might help achieve the objectives of the Five Year Forward View. In this session we will take you through some of the models and processes that we use in our board development service, as well as talk about some more specialist services including executive coaching, pairs coaching and other approaches to board and executive director development.

Progress School**Mike Chitty • Head of Applied Leadership and Operations***Room A.5 • 15.30 to 16.30*

This will be a taster session to the Academy's own internal staff development programme 'Progress School'. These monthly development sessions provide coaching in a group session for Academy staff. Progress School runs for 2 hours every month and uses the Self Directed Leadership Development Model of Boyatzis, Goleman and McKee. In this session you will have the opportunity to experience this powerful approach to personal development and see how it can be used to develop your own leadership.
